M. P. EVANS GROUP PLC
("THE GROUP")

PUBLICATION OF SUSTAINABILITY REPORT

M.P. Evans Group PLC, a producer of sustainable Indonesian palm oil, is pleased to announce the publication of its 2025 Sustainability Report ("the Report").

The Report gives a comprehensive account of the Group's sustainability strategy, covering the progress made over the last year, and plans for the future. It deals with all aspects of environmental, social, and governance ("ESG") matters as well as giving full details of the Group's carbon reporting in accordance with the requirements of the Task Force on Climate-related Financial Disclosures ("TCFD"). The Group is producing more certified sustainable palm oil than ever before, reducing carbon emissions in accordance with its net-zero ambitions, and working closely with smallholders and local communities around its operations in Indonesia.

A copy of the Report is available to download from the sustainability section of the Group website (www.mpevans.co.uk/sustainability/sustainability-reports), and the Group has a limited number of printed copies available, which can be requested from the head office (enquiries@mpevans.co.uk).

M.P. Evans Group PLC chief executive, Matthew Coulson commented on the publication of the report: "At M.P. Evans, we are proud of what we have achieved so far, and this new report demonstrates our ongoing commitment to responsible and sustainable operation. We continue to seek new opportunities and to implement new initiatives that will enable us to do even more in this area."

About M.P. Evans

M.P. Evans Group PLC is a responsible producer of certified sustainable crude palm oil, with plantations and mills in five Indonesian provinces: Aceh, Bangka Belitung, East Kalimantan, North Sumatra and South Sumatra.

Demand for vegetable oil has increased steadily for several decades as populations and incomes have grown, and that demand is expected to continue increasing for the foreseeable future. Palm oil is the largest of the world's major vegetable oils, by volume and international trade, and it is the most efficient to produce. M.P. Evans has been investing in sustainable Indonesian palm oil for the long term, and has the operational excellence to deliver increasing returns from its high-quality estates and mills.

M.P. Evans is a member of the Roundtable on Sustainable Palm Oil (RSPO), the leading organisation for sustainable palm oil, and it develops and manages its plantations in adherence to its stringent social and environmental criteria. The Company was also awarded the Green Economy Mark by the London Stock Exchange in recognition of its sustainable practices and positive contribution to the global green economy.

Headquartered in the UK, M.P. Evans' shares are traded on the London Stock Exchange's Alternative Investment Market.
